

LOAD IN

Thank you for participating in the 2012 Mid-Atlantic Sports & Boat Show.

To help plan for load-in, we need some additional information. Please take a few minutes to complete the following. This will be used to help plan load-in times and determine use of the forklift. If after submitting this information your layout changes, please provide your revised layout.

1. How many boats are you bringing to the show? _____

2. Dollies: Do you have a dolly for each boat or are you sharing dollies among boats?

We have _____ dollies for _____ boats.

3. How long do you estimate you'll need to complete load-in of your space? _____

4. For all the boats you intend to bring, please complete the following:

Length	Weight	Engine Type: Inboard, Outboard, I/O	Will remain on trailer?	Forklifted Boat?
